

A cyclist is riding a road bike on a paved road that curves through a field of tall grass. The scene is captured at sunset, with a warm, golden light illuminating the landscape. The cyclist is in the foreground, riding away from the viewer. The background shows rolling hills and a clear sky with a few wispy clouds.

## xSuite Business Solutions Cube 5.2

Our SAP-integrated product family xSuite Cube is an intuitive, high-performance solution package that automates and optimizes your business processes. The digital workflows for Purchasing, Accounts Payable, and Order Management offer unique functions for improving efficiency. With access via Fiori apps, SAP GUI or the xSuite web client, the solutions offer each employee great usability.

### Key Features complementing SAP Solutions

- Automatic data extraction with SAP-integrated validation
- Business process automation in SAP S/4HANA, SAP S/4HANA Cloud, and SAP ERP
- Integrated cross-solution agent determination
- Universal access via SAP Fiori, SAP GUI, xSuite Web

### Customer Benefits

- Boosts interdepartmental collaboration
- Mature product with broad range of functions
- Transparency across all processes
- User-friendly GUIs

# APIA in SAP – xSuite’s Clean Core Konzept

A cyclist is riding a road bike on a paved road that curves through a field of tall grass. The scene is captured at sunset, with a warm, golden light illuminating the landscape. The cyclist is in the center of the frame, riding away from the viewer. The background shows rolling hills and a clear sky with a few wispy clouds. The overall mood is peaceful and scenic.
